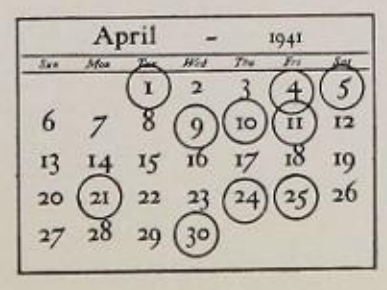
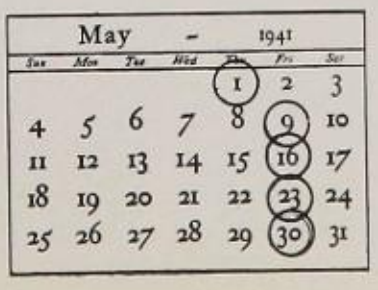
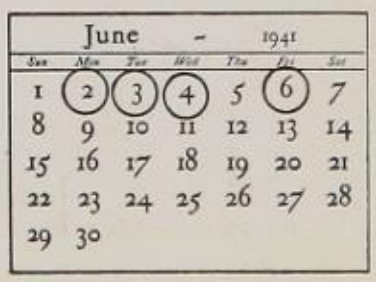
9. We didn't know that Mary Anne was a full fledged secretary.
10. "And did I tell you about . . ."
11. The band boys leave for the band contest in Waco.

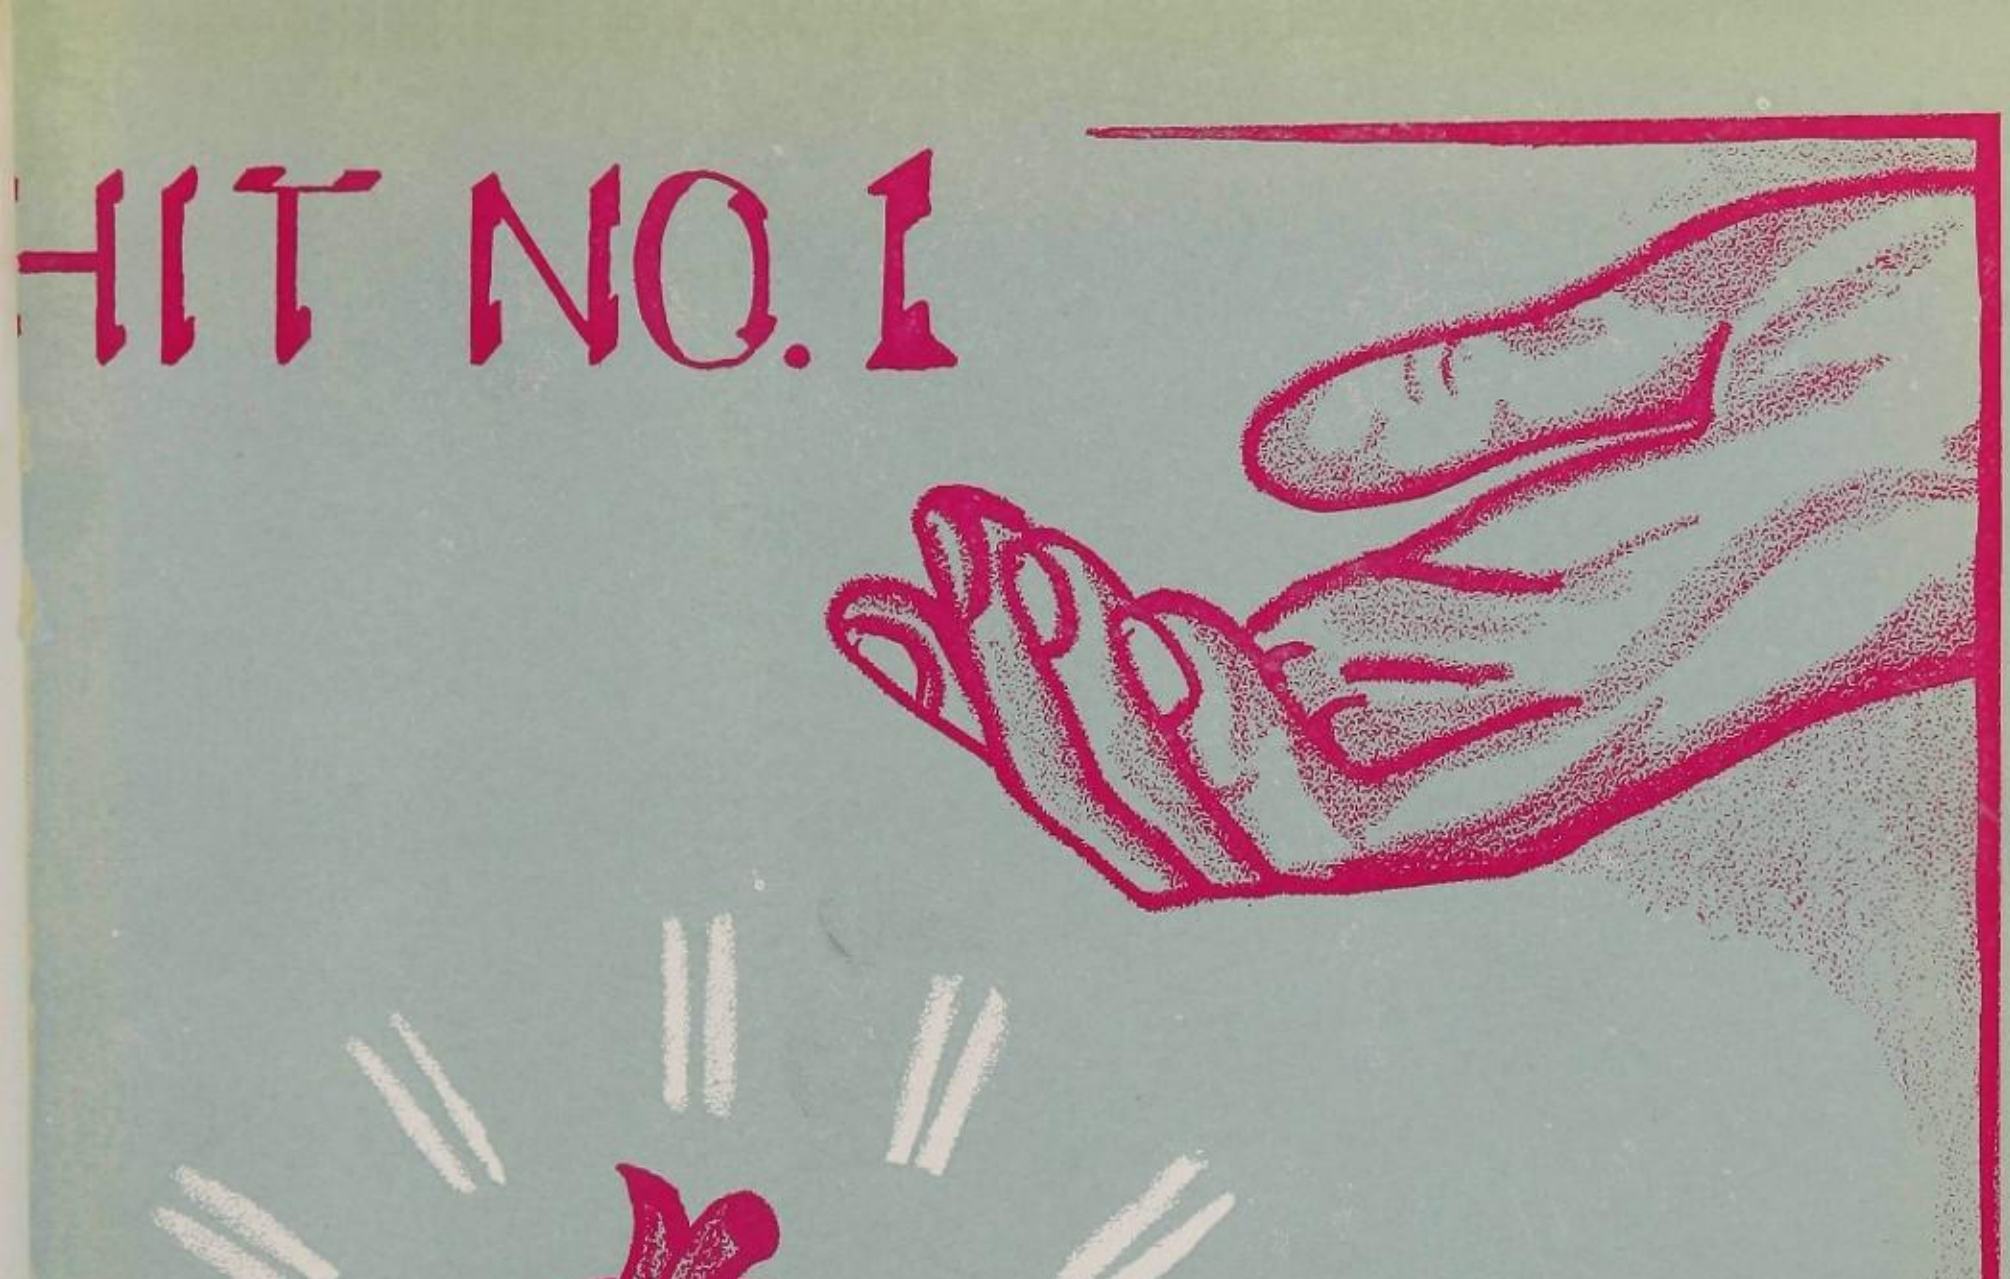






An Apple for the Teacher

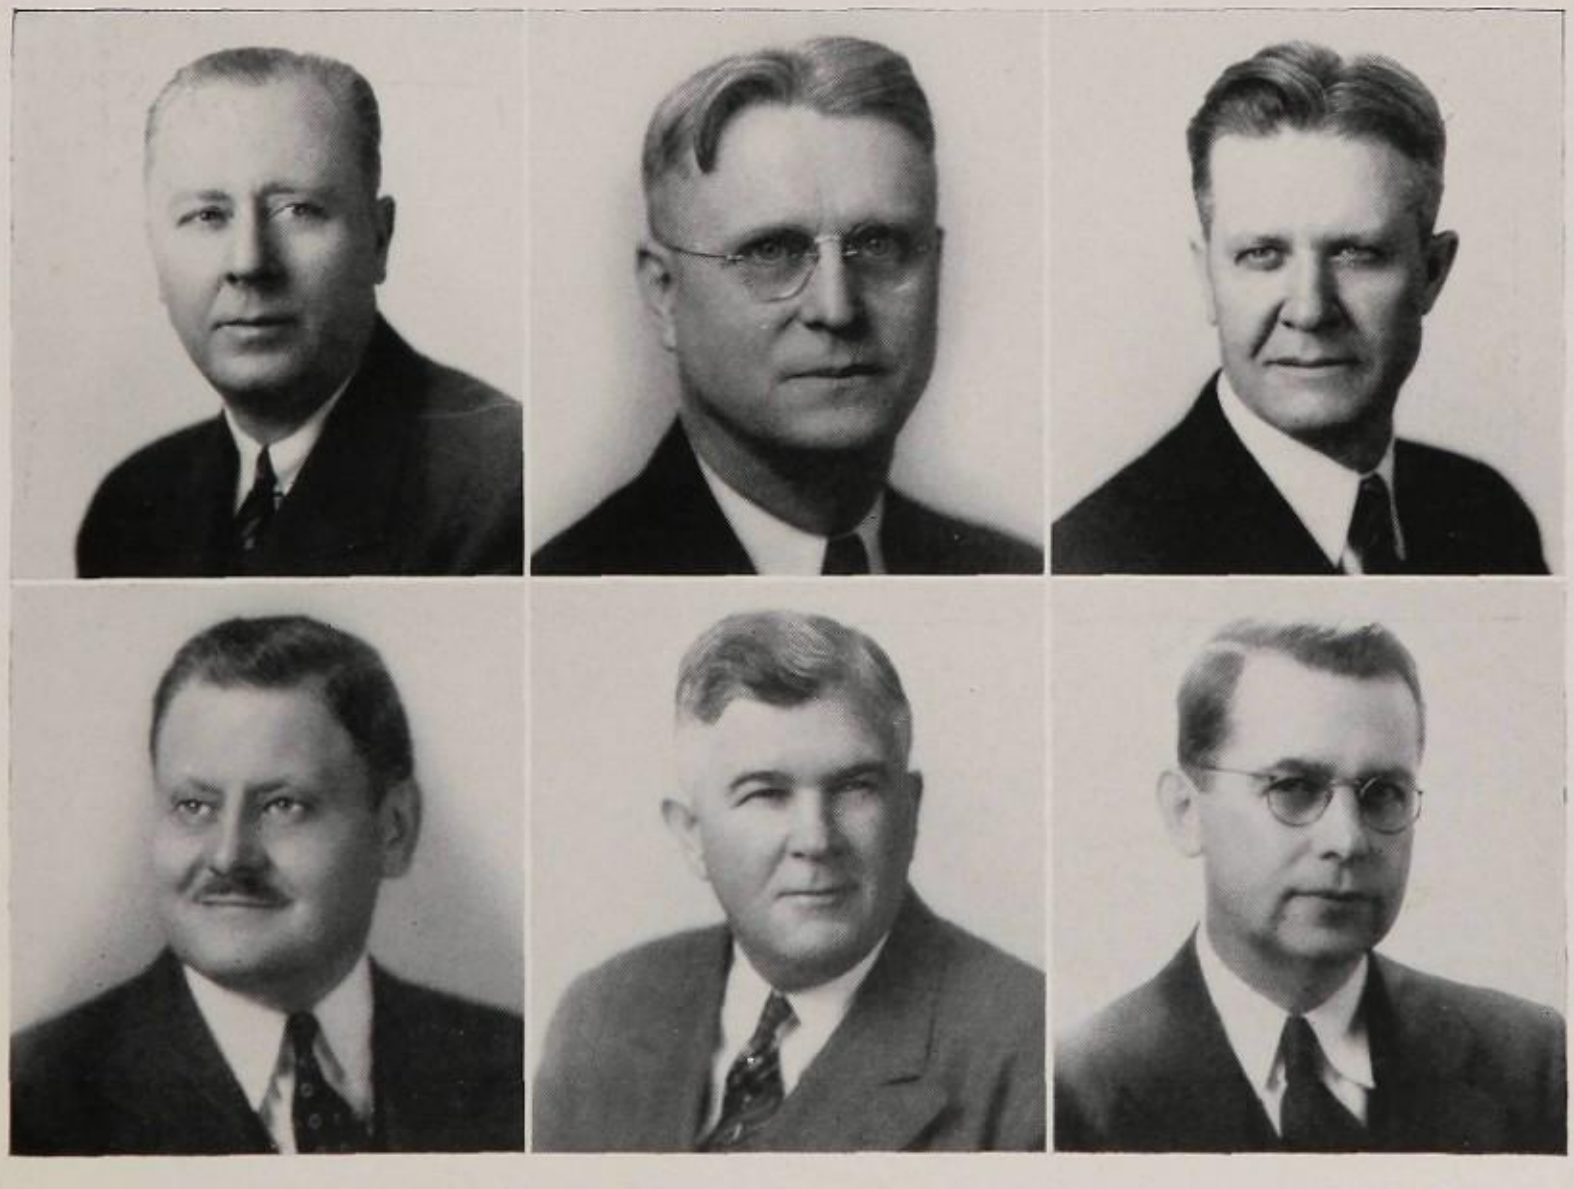
HIT NO. 1



THE BOARD OF EDUCATION

The most important part of our school is the Board of Education, which is made up of members who are elected by the voters of our community. This group has charge of building our schools and provides for the maintenance of the buildings and their grounds, and the employment of the faculty and staff. Our Board of Education has a great responsibility of providing high standards of educational facilities for such a rapidly growing community. To this responsibility we are proud to say the members have shown they are more than equal.

Top row: B. L. Woolley, *President*; Dr. J. H. Black, Earl Jackson.
Lower row: George T. Hemmingson, J. Cleo Thompson, E. H. Flath.



R. W. THOMPSON, *President of Dads Club*

DADS CLUB

The year 1932 was a bright one for all "Highlanders," for that year the Dads Club was formed. Since that time this organization has functioned solely for the purpose of a better school and more fun for all students. It has sponsored many activities and events where everyone has a good time and a tidy sum is raised for some worthy purpose. This year the Dads have sponsored a new program encouraging scholarship. Any student bringing up his average five points above that of the preceding school term is eligible for the Dads Club pin.

Every spring the Dads become athletic and challenge the Sunset Dads Club to a baseball game. The Dads Club is proud of having the record of the "World's Champion Dads Club Baseball Team" for three consecutive years.

MRS. A. A. ROWLAND, *President*, Parent-Teacher Association

PARENT-TEACHER ASSOCIATION

"Ask the P.-T.A." could easily be said to be the most used expression at Highland Park. Whenever there is anything to be done the P.-T.A. is always ready, willing, and able to help us. At almost any of the school functions you will find the P.-T.A. lending a helping hand. This busy organization also has complete charge of the lunchroom on a non-profit basis and we always have the best of everything. It also keeps our library supplied with the latest books and magazines the year round. Early this fall a bass violin and a cello were presented to our school orchestra.

To the President, Mrs. A. A. Rowland, and to all the members of the club, we would like to express our appreciation and thanks for all their cooperation and help this year.

H. E. GABLE, *Superintendent of Highland Park Schools*

SUPERINTENDENT H. E. GABLE

One of our best friends at Highland Park is Mr. Gable. Our Superintendent takes a real interest in the school and its progress and always seems to know what we like. Everyone appreciates a witty person and if there is anyone with that sense of humor, it's Mr. Gable. He has been with Highland Park since its beginning and helped it grow from a small school with a membership of two or three hundred to the five large and beautiful schools of today with an attendance of over thirty-eight hundred. To be at the head of such a school system is a very responsible position and Mr. Gable fills it admirably.

BEN W. WISEMAN. *Principal of Highland Park Senior High School*

PRINCIPAL BEN W. WISEMAN

What is it that makes things click? What makes things run smoothly? A good leader working in unison with his friends and followers does this. What makes Highland Park one of the best schools in every respect? The reason is that we have a capable principal whom we admire and with whom we like to work. Hi-Park has many and varied extra-curricular activities which make our school life most interesting and enjoyable. Mr. Wiseman has planned these activities and has worked with the students and teachers to make them a success. We all think of him not only as a worthwhile leader but also as our good friend.

The official family — the Student Council

STUDENT COUNCIL

In 1935, the Student Council was formed to bring about closer cooperation between the faculty and the student body. Under the leadership of its able president, Clyde Swalwell, and its sponsor, Mrs. Sheldon, this organization has accomplished great things this year. Sponsored by this representative body were the dances after the football games, the Homecoming after the Greenville game, and the publication of the Student Directory. The Student Council also is in charge of the student elections, eligibility of all the office-holders, and the drives, such as that of the P.-T.A., Dads Club, and Red Cross.

Representatives went to the Southern Association convention in Tulsa, Oklahoma, and a large delegation attended the state convention in Port Arthur.

HI-LITES

Hi-Lites is a girls' club organized to promote friendship, cooperation, and democracy throughout the school. Another purpose is to develop character and personality by offering each girl the opportunity of working on the various committees which plan and execute the activities of the club. Three-fourths of the Highland Park girls are active members, and sister clubs are being organized throughout the state.

Social service is an important objective of this organization. Each year the girls prepare baskets for needy families at Thanksgiving. At Christmas, a party is given for the children of these families. Gifts and needed clothing are also presented to the mothers of these children so that they can provide a good and happy Christmas at home. The Junior Red Cross, a committee of Hi-Lites, knitted blankets for use in war-stricken Europe.

The social calendar included four dances, two get-acquainted parties for new students and their parents, and the spring banquet, the final event of the year, at which time the officers for the coming year were announced.

One worthy and outstanding senior is honored at each graduation time. With the help of the P.-T.A., Hi-Lites presents graduation clothes to the chosen student, and the members favor her with a shower of gifts. This year Hi-Lites presented to a mid-term graduate a scholarship, enabling her to continue her education in college.

HI-Y

One of the largest clubs in Highland Park High School was organized in the fall of 1922 "to create, maintain, and extend throughout the school and community high standards of Christian character."

Weekly meetings are held each Monday morning during activity period. Programs include a wide range of subjects, such as Americanism, Clean Sportsmanship, Crime Prevention, and National Defense. Two of the outstanding speakers during the past semester were Lieutenant Colonel E. G. Herlihy, Professor of Military Science and Tactics, and Mr. R. L. Brewer, Registrar of Southern Methodist University.

Each semester the Hi-Y Key is presented to the boy who, in the opinion of the members, best exemplifies the ideals of the Hi-Y. This year the Key became the prized possession of John Miller.

Important social events during the first semester were the All-School Dance and the Best Girl Banquet and Dance. The second semester the members enjoyed the Father and Son Banquet, the Mother and Son Banquet, the Best Girl Dance, and a swimming party.

Hi-Y boys also participate in welfare work by providing baskets of food for needy families during the Thanksgiving season.

NATIONAL HONOR SOCIETY

To be elected to the National Honor Society is one of the greatest honors which a student at Highland Park can be granted. Once each semester a number of students from the 3A, 4B, and 4A classes whose leadership, scholarship, service, and character are outstanding are elected by the faculty. The maximum number that may be selected during the three semesters of eligibility is fifteen per cent of any class.

Individual records of achievement are maintained by the organization. It also keeps a record of all books in the library. Another activity is the awarding of the "H" blanket to the most outstanding boy and girl in each graduating class.

Several social activities are held each year; the spring banquet is the outstanding of these.

QUILL AND SCROLL

Since the receiving of a charter in 1936 the Quill and Scroll has been an active club at Highland Park. The Quill and Scroll is an international journalistic society, and the purpose is to raise the journalistic standards of all school publications. To be eligible for membership a student must have done some outstanding literary work, must be in the upper third of his class, and be at least a junior. A pin and a subscription to a bi-monthly magazine are given each member when initiated. For their project for 1940-'41 the members of the Quill and Scroll demonstrated their journalistic abilities by planning and writing the script for the school movie.

RADIO CLUB

Have you ever turned on the radio and settled down to listen to a favorite radio program only to be greeted by some very peculiar sounds and a voice saying, "This is W5ABC calling W5XYZ. Come in, W5XYZ."? That is the amateur radio operator in his element.

Seriously, though, the amateur radio worker occupies one of the most interesting and really worthwhile fields today. His importance is recognized around the world. In time of distress when all other modes of communication are out, the 'hams" come through with directions for relief.

The Radio Club of Highland Park High School has its own licensed station, W5EUZ. The main project the club worked on this year was the construction of a new amateur band transmitter and receiver, as well as the accumulation of a permanent library of radio literature. With this equipment station W5EUZ is able to communicate with all of the United States, the Panama Canal Zone, Alaska, Hawaii, Puerto Rico, and many other points. A special feature of the club this year was the Radio Study Class for beginners, attended regularly by an interested group.

Although they sometimes cause interference with private radios, amateurs are learning a most useful hobby which can be a wonderful career for anyone.

CAMERA CLUB

Have you ever wondered about the pictures on the bulletin board opposite room 205? The board is the property of the Camera Club, sponsored by Mr. Jarrett and Mr. Akin, and there future professional photographers exhibit their "masterpieces." At all the school activities and at most big social functions you will find a member of this "clan" happily clicking the shutter or taking flashshots. A large part of the pictures used in the *Bagpipe* and the *Highlander* are taken by members of the Camera Club.

The Club has its own dark room in the physics laboratory, and they have some very valuable equipment there. Some very interesting things come to light in the "dark room." Most of the boys have their own cameras, although the *Highlander* has a splendid one that the boys may use. Some of the better prints are exhibited in the Texas Press Convention at Denton. Every spring comes the big "flash" of the Camera Club. "The Annual Spring Salon of Mounted Prints." All entries are displayed for all "Highlanders" to see. The winning prints are usually published in the rotogravure section of *The Dallas Morning News*.

All during the year the members are entertained by motion pictures and often have lectures given by outstanding professional photographers.

TRAVEL CLUB

New faces and new places seem to fascinate nearly everyone. Surely you have wondered about neighboring and distant countries — not about how many square miles the country contains and what it produces, but the really interesting things such as which side of the street traffic drives on, or whether girls are really serenaded with a guitar, and whether some people really do eat snails out of shells.

Instead of just wondering, some Highland Park students in 1937 organized the Travel Club. Many interesting lectures, movies, and other programs are presented each month. The club has its social activities, too. The members enjoy picnics and other parties during the year, and at Thanksgiving and Christmas baskets are given to the poor.

This organization boasts the third largest club enrollment in school.

ART CLUB

"Let's ask the Art Club" is an expression heard many times. This group really accomplishes things around the school. They assist in arranging the wall cases, in making scenery for student plays, in art work on the *Highlander*, and other art activities.

The club has presented to the school this year the first of a collection of fine prints, to which they will add annually. Presentation of the etching, "The Wreck of the Ruby," by Don Brown, was made by Milton Vehon, at the annual banquet. Something else new in our building is the group of pictures that have been hung in the class rooms. These have been selected, framed, and hung by members of the Art Club.

The purpose of art is to beautify, and our Art Club with its efficient sponsor, Miss Dial, certainly accomplishes this.

MUSEUM CLUB

Have you noticed how nice the Museum show cases have looked throughout the year? Keeping them that way is part of the Museum Club's activities, sponsored by Mrs. Sauer. Although the Museum Club is comparatively new, being organized last year, it has a great deal of material to use. For many years the art, chemistry, biology, and the language departments have been collecting interesting items which can be used in the various displays. Hobbies and projects of the students are given entire show cases to display their interests. Many of the patrons of the school have made valuable gifts that are being used to great advantage.

During the year the club has had several field trips, including one to the Hall of State at the State Fair Grounds, where they saw many interesting things and obtained enlightening ideas.

RIDING CLUB

One of the most fascinating activities of the student life is participation in the Riding Club, in which every student is invited to join and take part. Books and magazines are available as a source of information on various aspects of riding.

The lads and lassies learn to ride or to improve their horsemanship. Lessons are given by a capable instructor who is ready to aid those needing to improve their skill. Members enjoy breakfasts after morning rides, and suppers and stories around a bonfire following afternoon rides. By riding in the healthful out-of-doors, these horsemen gain delightful recreation as well as improvement in riding ability.

Musicians at work

ORCHESTRA

"They shall have music wherever they go." The Orchestra certainly sees that the school has music all the time. Though one of the newer clubs, organized last year by Miss Brandstetter, the director, the number of musicians has almost doubled.

At both the mid-year and spring commencements the Orchestra performs. In cooperation with the Hi-Lites-Hi-Y annual Christmas party for the under-privileged children the music was furnished by these future symphonic musicians. The combined talents of the Orchestra and Choral Club this year presented the operetta, "Pinafore," which was a huge success. At every P.-T.A. meeting you will find these "mad musicians" performing. In appreciation of the fine music, the P.-T.A. presented them with a cello and string bass.

One of the most outstanding accomplishments this year was the program given by the Student Symphony made up of members of both Junior and Senior High Orchestras. This organization is now happy to say that they have eight members representing them in the All-City Orchestra.

INTERSCHOLASTIC LEAGUE CONTESTS

As in former years, Highland Park entered the various Interscholastic League Contests held at S. M. U. Scottie entrants participated in contests for spelling, extemporaneous speaking, declamation, and ready writers. Surprise winner in extemporaneous speaking was Bill Owen, a sophomore, who won over an experienced speaker who had won the district and regional contests for the past two years.

Speakers and spellers — Owen, Crowe, Holmes and Rice

ONE-ACT PLAY

Each year Highland Park prepares a one act play for the Interscholastic League competition at Southern Methodist University. This year the contest play presented under Miss Harrison's direction was "The Princess Marries the Page," by Edna St. Vincent Millay. Dorothy Maloney, Scottie actress, won first honors as an individual actress.

LATIN TOURNAMENT

Highland Park's Latin scholars again entered the yearly Latin Tournament. Contestants were chosen according to the results of elimination contests given by Miss Masters and Miss Bradfield. The twelve Scotties brought home an amazing total of six individual awards, five team places, and one cup. Elizabeth Rice also won a quiz contest based on mythological questions. Out of 36 entrants from 18 different schools, she was the last one standing.

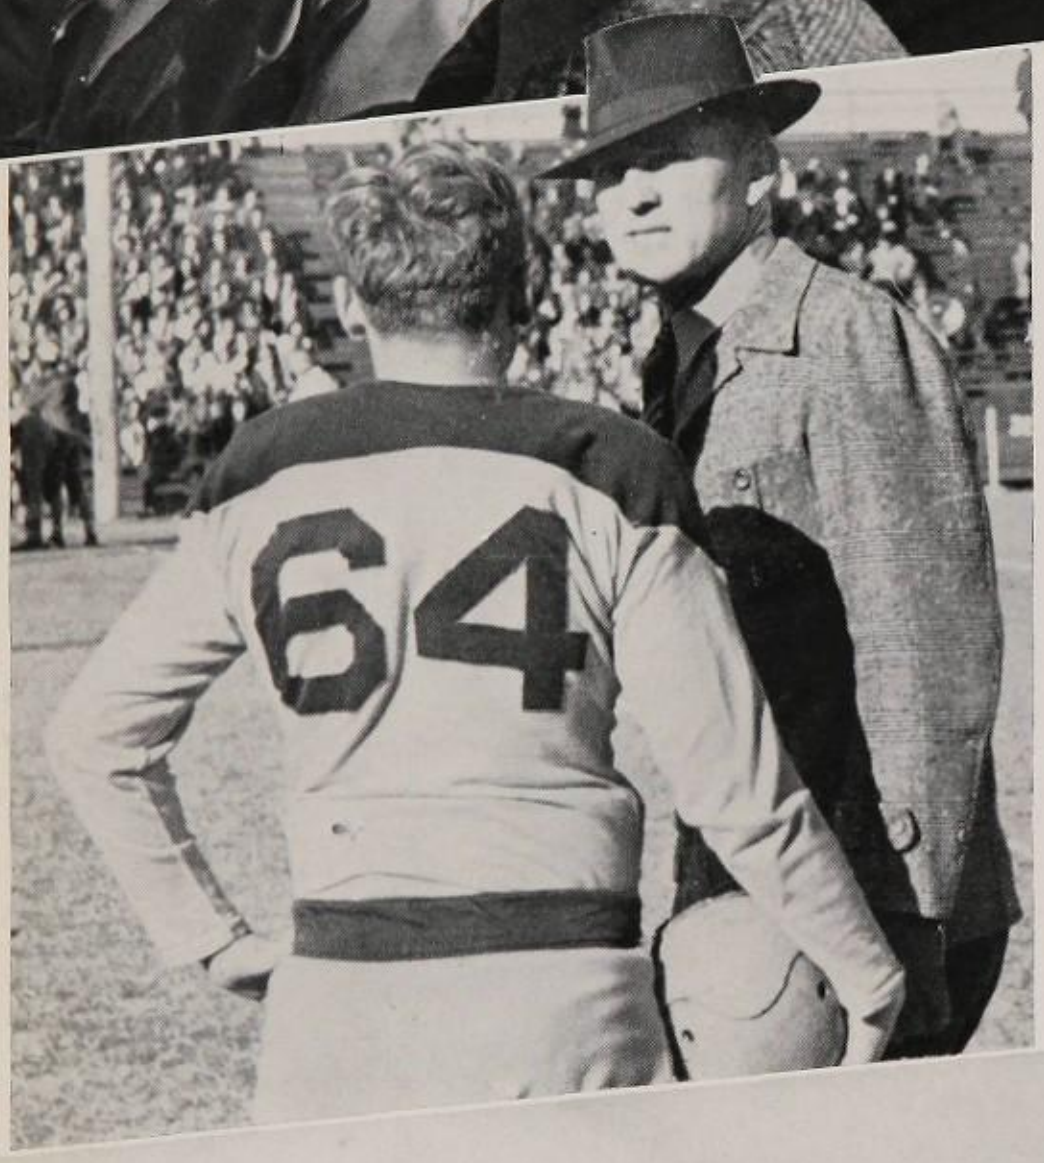
FOOTBALL



Head Coach Redman Hume and Line Coach Floyd Hightower again proved their coaching abilities in 1940 by turning out a ball club that tied for district honors with Greenville. Although the team was not successful at the first of the season, it improved rapidly and gained the much needed experience for the district race by playing some of the best ball clubs in this section. The good natures and likable personalities of both coaches enable them to get the most out of the boys at all times. Hume is considered by "football authorities" as one of the best high school coaches in the game. He always has turned out a team that has been hard to beat and one that pleases the fans. Since he is very offensive minded and uses a fast and deceptive type of football, his teams have always been successful in gaining recognition from both opponents and coaches. Line Coach Hightower, who has been coaching with Hume for five years, is also noted for his outstanding coaching abilities by turning out staunch forward walls which are essential in the makings of any team.

Ennis 26 — Hi Park 0

In their first game of the season on their own field, the Highlanders dropped the first tilt to a heavier and more experienced ball club. The first half was fairly evenly played between the 35-yard stripes until the last few minutes. Then Ennis broke the ice and scored. Returning in the second half, Wettersten and Wright led a brilliant goal line

stand by staying off the Lions on the lander two yard line to keep them from scoring. An interception of one of our passes, however, soon put the Ennis club back in position to score.

Because of good Ennis punting, the Scotties never really had a chance to show their own offense, but Winn and Wolf kept the Ennis defense hustling to prevent their breaking away.

5

Sherman 37 — Hi Park 6

The Sherman Bearcats, boasting a heavy veteran ball club, downed the Scotties on our own field by winning 37-6. By scoring two touchdowns in the first five minutes of play, the Bearcats put the Scots in the hole at the beginning of the game and forced us to fight an uphill battle.

by three touchdowns in the second quarter, they began to show a comeback with a touchdown featuring Winn on a 49 yard punt return to the Sherman six yard stripe. After a couple of running plays failed, a pass from Sharp to Neale was good for the tally.

Despite the powerful Bearcat line the Highlander guards, Sells and Quinn, showing great improvement, played stellar ball all the way. Guthrie and Neale looked good as pass receivers and our aerial game promised to be a real threat to coming opposition.

Woodrow Wilson 20 — Hi Park 7

With a score which did not begin to tell the story, the Scots bowed to the powerful Wildcats in a thrilling game. The Highlanders put up a great battle with Sharp's passing and Winn's receiving the high light of the game. The combination clicked on one for 50 yards and our score.

During the first half the Scotties had some tough luck with their passing and the ball just tipped the stretching fingers of receivers and fell incomplete. The Scots led through the first half, but on the opening kickoff of the second half, a Wildcat back forced the ball to the Highlander four yard line. From here they scored to take the lead.

Our passes kept us very much in the ball game to the last, almost scoring before the time ran out. Wolf and Wettersten played sturdy ball all the way at the backer-up positions with Wright and Neale as stand-outs in the line play.

Masonic Home 25 — Hi Park 0

With a show of improvement, the Highlanders played nearly the entire first quarter in the Masons' territory with the offense bogging down just when their chances seemed the best.

Late in the second quarter an interception of one of our passes put the ball on the Highlander 17 from where the Masons scored. The Plaids played a defensive game most of the second half. Leading in the line were Wettersten and Wright, while Evans and Wolf led a beautiful pass defense which stopped cold the famous Mason aerial attack. The Scotty backfield intercepted more passes than the Masons completed by intercepting four while the Masons completed three.

Another feature of the game was Wilson's great punting which more than once pulled the Scotties out of the hole.

North Dallas 0 — Hi Park 20

In the first victory game of the season, the Scots completely overwhelmed the Bulldogs with a savage running attack and a brilliant aerial game. Combined with this powerful offense was an impregnable defense set up by the Highlander line which allowed the North Dallas boys only 43 yards the entire game.

Featuring a beautiful lateral from Guthrie, Wolf sped 65 yards behind effective down-the-field blocking for the first marker. Again in the third period Wolf took the ball on the North Dallas 30-yard line and on the same play as before carried the pigskin for a second touchdown.

Then midway through the fourth period, Winn returned a North Dallas punt to the Bulldog 25. In five plays the Highlander eleven had the ball on the Bulldog two-yard stripe. From here Sharp crossed the double-stripe for the final score.

Sulphur Springs 6 — Hi Park 7

Opening the district play off against the Wildcats, the Plaids got off to a good start by taming the Kitties with a 7-6 win.

Capitalizing on a fumble the Wildcats made on their 22, Wettersten pounced on the ball and the Scotties pushed the ball down to the Sulphur Springs 11 yard stripe. Then Wolf took the ball straight through the middle leaving would-be tacklers strewn along the route. Sharp then gave the Highlander fans a thrill by kicking the pigskin through the uprights for the winning point.

The game was a hard fought defensive battle for both teams with Guthrie's brilliant defensive end play sparking our entire line, while Wolf's line plunging led our offense. Although the Wildcats scored first, the Highlanders never let up and came back to win.

The interception of a Highlander pass late in the fourth period gave the Scot fans a scare with the ball on the Scotty 36-yard line. From here the Wildcats drove to the Scot six yard stripe before being stopped. Here the determined Scotties held with the ball still resting on the six when the final whistle sounded.

Arlington 6 — Hi Park 32

Winning their second district game of the year on the Highlander field, the Plaids trounced the Arlington team, who were playing for their first time in District Six.

There was no scoring in the first period, but early in the second stanza Wolf plowed over left guard from the four yard line for the first marker to start things rolling. Then later in the same period Winn produced the highlight of the game after shaking off two tacklers and worming his way for 75 yards and a tally.

In the middle of the third period, Cree raced 40 yards for a marker after receiving a pass from Sharp. Then in the final canto, Sharp counted for two touchdowns; one being from the six and the other from the eight yard stripe.

Greenville 22 — Hi Park 14

Playing on a slippery, muddy field, the Lions skidded to a 22-14 victory over the Plaidsmen. This game proved to be one of the most thrilling ever witnessed on the Highlander field.

The Leos amassed 20 points before the Scots scored. After receivers experienced great difficulty in catching the slick ball, the Scotties began to roll fast and hard. Cree returned the kickoff all through the entire Greenville team and then fumbled after he was in the clear. Luckily Neale, who played outstanding ball, was there to recover and the Scots carried it over from the Greenville two. Then it was Wolf's turn, who after exchanging runs with Sharp, plunged over for another tally from the Lion one-yard stripe.

There were five minutes left and time enough for a possible win or tie. A beautiful kick by a Lion back that went out of bounds on the Highlander one yard line quelled this hope, for the Lions' forward wall trapped Sharp behind the Scotty goal line for a safety. This ended their hope and the Scots lost a heart-breaker.

Sharp lays one in the coffin corner.

Denton 13 — Hi Park 20

The Scotties, playing the last home game of the season, completely outclassed the invading Broncs and rode them to a 20-1 victory. On the fifth play of the game, a pass from Sharp to Wolf, who galloped 3 yards, was good for the first tally.

Coming back strong in the second half the Scots found their stride early and Shar found his mark with a pass to Raymon Willie, who was standing on the Dento one yard stripe and stepped over the goa for a second counter. Then Wolf an Ferguson started a ground attack that rolle 84 yards and ended with Ferguson punch ing over the double-bar from the three-yar line for the final touchdown.

Their first drive, which was for 74 yards ended when McKinney recovered a Scotty fumble on the Lion 5. The Plaids came right back and Wolf went over from the one yard line. In the second quarter, the Scots began to use razzle-dazzle and hipper-dipper in a drive for 51 yards and another touchdown which was made by Sharp. Then in the last stanza Neale recovered a Lion fumble on their 24. On the third play, Wolf skirted end for the final score.

Cree and Ferguson played stand-out ball in the backfield with Quinn and Wright showing well in the line.

However the Broncs were not asleep for they accounted for two touchdowns—one in the second period and one in the fourth. This last period was a hectic one for the Scots with the Broncoes nearly scoring a third touchdown. An interference of pass receiver penalty was assessed against the Scotsmen on their own one yard marker. However an off-side penalty against the Broncs on the next play put the ball on the six. Here the Highlander forward wall led by Quinn and Wright in a brilliant stand held four downs and a few seconds later the gun boomed to end the melee.

McKinney 0 — Hi Park 20

Playing the last game of the season, the Plaidsmen turned on the steam. Resembling the Golden Avalanche of '38, the Blue and Gold rolled up a score of 20-0 and never let the Lions seriously threaten.

The Sharp to Neale combination clicks.

B-SQUAD FOOTBALL

During the 1941 season, the Hi Park B-team enjoyed an untied and undefeated season under the direction of Mr. Wilhite, backfield coach, and Mr. Orr, line coach. The Ramblers played six games the entire season, outscoring opponents by a total of 69 to 26 points.

Sparked by the running of David Redman, the Ramblers took on the Irving eleven and downed it 13-7. The next game was with the Adamson B squad, when they won again by the score of 13-7. The third team to taste defeat by the Ramblers wa the North Dallas B-team who wa dumped 6-0. Again the Adamso B-team went down under the Ram blers' onslaught by the score of 7-0 Next came Vickery-Hillcrest's de feat by the Ramblers 18-12. In th sixth and last fracas, the junio Plaidsmen tripped the North Dalla B-team a second time by a score o 12-0.

With such stand-outs in the lin as Tommy Faulkner and Charle Harkey and with Charles Hall, Ho lis Goodman, and David Redma in the backfield, the junior High landers promised returning A-squa members plenty of trouble for berth on next year's first team.

BASKETBALL

1 Adding to an already established reputation the popular Ralph Binnion again brought the Highland Park Basketball team through a winning season. Mr. Binnion, who besides coaching the boys well, and taking a friendly interest in them, is also known for his sportsmanship. Always ready to praise a good play and never discouraged, Coach Binnion develops a team spirit that always makes the Scots a respected opponent.

This year the Highlanders won eleven games while losing seven. The Scotties had their share of bad luck, but took it in their stride and outscored their opponents an even hundred points for the season. Highland Park had an undefeated record for the first half in the District 6-AA race, only to be hit by a siege of colds that caused them to finish in a second-place tie. Often as many as four starters were sick.

2

The team started out barely losing a pair of games to the veteran Polytechnic quintet, then hit their stride and scored six successive victories. They dropped a close one to Riverside, defeated McKinney again, and then came the slump. The Scotties lost three of their next four games—Sulphur Springs and Greenville upsetting the crippled Scots. Denton nosed them out 19 to 18 in an exciting game, with a victory over Arlington coming before the Denton game. The Scotties prepared for the district tournament by downing Corsicana twice by large scores.

In the district tournament, the Highlanders, led by Scott Ernest, won from Forney. In playing a McKinney team which they had already downed twice, the boys in blue were defeated in the semifinals.

Felix Morgan led the Highlander offense during the year while Captain David Neale and Ernest were outstanding on the defense. In 12 of the 18 games, Morgan was the Scots' high scorer. Richard Brown, Jack Sharp, and Frank Trammell were the others who saw the most action and each performed well.

B-TEAM BASKETBALL

The Highlander B-squad with only three returning lettermen was led through a very successful season by its new mentor, Clifton Wilhite. The "Pups" boasted a record of nine games won with only two losses, both being to one team and losing by only two points once and by one point the last time. Scoring in the 30's five games out of the eleven, the Scotty B-team proves that the future A-team will be a high scoring ball club.

Coach Wilhite used two teams, substituting frequently with either team having height and speed, thus the entire squad gained much experience. Outstanding features of the junior lads were their superior ball handling and passing that enabled them to down their opponents. Another strong point was their defensive play, which never allowed opponents to run up high scores.

There were twelve who lettered out of the entire squad, including one manager. Those lettering were: Don Brown, Co-Captain David Dellinger, Tommy Faulkner, Charles Hall, Paul Lacy, Danny Lynch, Bob Phelps, David Redman, Steve Schneider, Co-Captain Evan Stebbins, Don Woods, and Manager Bill Gealy.

TENNIS

1 Eight victories in nine meets is a fine record, and that is the one which the Scottie tennis team, coached by Mr. Harrison, turned in this year. Prior to the district meet Wallace Meador, singles representative, and Tom Broad and Bill Walker, the doubles team, downed Woodrow Wilson four times, Plano twice, Denton once, and split two meets with Sherman. Our netters also played S.M.U. several times and, though defeated, gained much experience.

In the district meet Meador was eliminated in the semi-finals, but Broad and Walker came from behind in the finals to win in five sets. This qualified them for the regional tournament, where they won their first match. As we go to press, they are still in the running for the state title.

An intramural tournament was held in the spring, with over thirty participants. This tournament, along with the success of our team helped tennis to maintain its high ranking in Highland Park sports.

GOLF

Interest in golf in Highland Park grew tremendously this year. There was a larger number of candidates for the team than ever before and the Golf Club was much larger than in previous years. Naturally, with all this enthusiasm comes a fine group of golfers.

As the *Highlander* goes to press, the prospects of the 1941 baseball team are good with the "batsmen" having already pounded out six wins and dropping only three of their tilts. Since the Highlanders have lost none of their county divisional games, the chances in the state race are bright.

Coach C. H. Marshall is moulding the team around five returning letter men. They are Co-captain Les Henderson holding down the second base sack, Co-captain Felix Morgan at catcher's position, Louis Guthrie at third, Don Wood pitching, and Bob Frymire at center field. The team is showing prowess in its batting and good fielding. Wood has successfully limited opposing teams to few hits by pitching a two-hit game and a three-hit game in two of the team's closest contests.

showing and who have not lettered previously are Frank Trammell at first base and at the number four slot on the batting list, Bob Anderson and Peter Keese at the pitching posts and Buddy Couch in the outfield. Jack Sharp, though handicapped by not reporting till mid-season, is doing good work at short. Cecil Ewing, alternating at third and the outfield, has been hitting consistently. Also Rush Klein and Jimmy Farrar are doing good jobs in the outfield.

TRACK

Coach Hightower's state track champions of 1940, piloted by Larry Wolf, have thus far enjoyed a very successful season. Entering several early season meets, the Scotties made a good showing. At the East Texas Relays at Palestine they placed third by setting new records in the 100-yard dash by Captain Larry Wolf, a new pole vault record by Bill Hannum, and a new record in the relays by the team of Stroud, Sells, Duemler and Wolf. In the Texas Relays the team copped a second place.

The next contest of importance was the district meeting held at S. M. U.; the Highlanders won this meet with 34½ points. Captain Larry Wolf ran the fastest quarter mile to be recorded in the state for the spring 1941 by runnning it in 49′8″. Larry was not satisfied to stop here though, and also set a new record in the 100-yard dash. The relay team won its event, and Bill Hannum won the pole vault. From here the Kilties advanced to the regional held at Denton where the team finished third. Wolf set a new mark in the 440 event and finished third in the 100-yard dash. Bill Hannum vaulted his way to a first in the pole vault and the relay team also placed first.

H-ASSOCIATION

Membership in the H-Association is attained by having lettered in any sport as a player or manager on any "A" team. Aims of the organization are to promote sportsmanship, further athletic progress, and coordinate all athletics with the many other school activities.

In a general assembly the association has its annual initiation of all new members. In this event, the new letter men are introduced in humorous manners and ways and are the victims of pranks that amuse everyone.

The club has many social functions which include a barn dance and picnics. The organization has standardized letters for each separate sport so that there is a distinction in the letters of the different sports. A plaque has been placed in the trophy case with the name of the letter men of each year.

3. Ken Winchester

This year Highland Park has added swimming to its list of spring sports. Although in its initial season, swimming has proved to be a very interesting and popular activity.

The chief aims of the Aquatic Club are to further the tank interests of Hi Park students as well as to create a greater interest toward swimming contests.

In their first contest at the Fort Worth Exposition, the Scottie tankmen garnered 37 points. They were led by Sonny Smoot and Conway Moore, who accounted for 18 of the points.

Members of the club have made plans for a party, which they hope will be an annual affair, held after the state championship meet, May 17th.

The man responsible for the success of the club is Mr. Clifton Wilhite, who is also coach of B-team football and basketball.

GIRLS' SPORTS

Hi Park lassies came through this year's sport season with flying colors under the supervision of Mrs. Milton Kuser and Mrs. Norman Corwin, coaches.

Tennequoit tournaments opened the 40-'41 intramural play. "Round robin" play was held in the gym classes, and the wining teams played in the gym after school. Jean McElveen's fifth period team won the tournament, and the P.-T.A. gave the winners a chili supper.

Basketball was next on the list of sports, and more girls turned out for intramural play than ever before in the history of Hi Park. Games were played in the gym on Tuesday and Wednesday afternoons after school. There were two leagues in each afternoon tournament, and the winners of the Tuesday League played the winners of the Wednesday League for the school championship. Kathryn Buckley, captain of the victors, and her team were honored with a chili dinner by the P.-T.A.

Interscholastic basketball came next, and twenty-four girls were selected to make up the first and second teams. The A-team, captained by Alice Ann Leftwich, won third place in the Lancaster Cage Tournament, while two members of the A-team were selected for the All-Tournament Team. Virginia Bailey, forward, was on the first team, and Alice Ann Leftwich was on the second team.

Mrs. Corwin and Mrs. Kuser, Coaches

The A-team defeated Cedar Hill twice, Ferris three times, McKinney, Pleasant Grove, Carrollton, Seagoville, Duncanville, Allen, Forney, and the Hi Park Exes. The sextet lost to Ennis twice, and Plano.

The B-team won over Ennis twice, McKinney, Cedar Hill, Plano, Carrollton, Seagoville, Duncanville, Ferris, Junior High, Pleasant Grove A, and Red Oak A-team.

At the annual banquet given by the P.-T.A. for the squad after the final game, the players received their awards. The A-team improvement award went to Rosemary Hemmingson, guard; and the A-team sportsmanship award to Marilou Rutledge, forward. Kay Harrington, forward, received the B-team improvement award, and Margaret Bryant, captain of the B-team, received the B-team sportsmanship award.

An innovation to Hi Park gym classes this year is ping pong, badminton, and shuffle board, in which the different teams in each class alternate every few days.

Volley ball, the usual spring activity, was played in the same "round robin" manner as tenniquoits. The champion school team was the sixth period all-star team captained by Rosemary Hemmingson, who defeated Mary Elizabeth Sikes' all-school class team. Rosemary Hemmingson and her team were given a Mexican dinner by the P.-T.A.

Mrs. Kuser and Mrs. Corwin have been able coaches, and take their place in the girls' hearts for their kindness and conscientiousness in their work.

TENNIS

Hi Park's feminine racketeers brought the ever-popular game of tennis into the limelight this year. Mrs. Norman Corwin, tennis coach, watched the girls faithfully practice and go the finals in the District 11 Meet. Miss Bobbie Keith, playground instructor at Bradfield, assisted Mrs. Corwin in the coaching.

Bettie Sharp, singles queen, played Woodrow Wilson, Denton, Terrell, Masonic Home, and Sherman as practice play before the Interscholastic Match of District 11. Ann Hart and Catherine Duls, doubles team, played Sherman, Sunset, Denton, Woodrow Wilson, Terrell, and Masonic Home in practice games before the Interscholastic Contest.

Barbara Warner and Marilou Rutledge played Ann Hart and Catherine Duls to determine who would represent Hi Park in the District 11 Meet. Hart and Duls won two out of three matches.

In the District Tournament, Hart and Duls reached the finals, and then were defeated by Sherman, 10-8, 3-6, 6-4. Bettie Sharp defeated Sadler, Grayson County winner, 6-2, 6-1, and then was defeated by Sherman 6-3, 6-2, who went on to win the district.

Good luck always,
Catherine

Congratulations!

It is with unusual pleasure that I extend sincere congratulations to the Board of Trustees, to the Faculty and to the Student Body of Highland Park High School this year. In the face of serious obstacles, democratic processes are struggling to maintain the liberty and freedom which all of us cherish so much; it is, therefore, most gratifying to see boys and girls attain the point of graduation through the pursuit of free ideals and uncensored liberal education.

Today's young men and women constitute tomorrow's farmers, bankers, industrialists, business men and lawyers . . . the citizens who will continue in the "pursuit of life, liberty and happiness" in the time-honored American Way.

These young men and women are America's first line of defense against the inroads of foreign "isms" and beliefs contrary to our form of government. Because they hold dear the right of free speech, public assembly, and elective officials, the United States will remain the stronghold of a strong people.

I extend my best wishes to you as the Class of 1941 . . . to you who will fill the important role of citizenship in Texas and the Nation.

Sincerely,

JOHN W. CARPENTER, *President,*
Texas Power & Light Company.

SNOOPING ON THE SOPHS

Have you tried the methods of Methusalah's theory,

To learn how to hold men and keep 'em?

Or, have you had lessons from Suzanne La Zonga, to

Try to make A's without cheat-'en?

1. Have you noticed the cuties who are streamlined beauties, with pep, charm, and brains? Guess who?

2. Have you noticed the boys, who threw away their toys, to flirt with girls and play? Guess who?

3. Who's the jitters and couple on the floor?

   Who scoots, and slides, and hollers "fore",

   Who wiggles and shimmies and shakes the floor,

   'Til the walls cave in and push out the door? Guess who?

4. Who brighten the walls, cheer the halls, and take it all in their stride?

   Guess who?

5. Who's the honey, who doesn't have to try, to fell the boys with her romancing eye? I wonder? (Do you?)

6. Who's the red headed Romeo, with freckled face, who leads the girls a merry chase? (This one's easy.)

7. Who's the knockout, smooth and slim,
   Who has her pick among the men?

   Aha!!

8. Who's the gal who holds "her" stag line,
   Who's the boy who feeds the "big" line?

   Guess who?

Do You Take Highland Park High School for Granted

I wonder if you really know how wonderful your school is in comparison to other schools throughout the country.

In all my travels I have never seen a high school that offered the students as many advantages as those provided by the Highland Park High School. There are any number of colleges without the splendid facilities which are yours to enjoy every day. Be proud of your school, for you have the kind of school few boys and girls are privileged to attend.

WORDS

are the servants of men

Whatever man achieves arises from words; is recorded in words; is described with words. His dreams take form in words. His plans, although drawn with pen and symbolized in blueprints, are made articulate by the use of words. His greetings to the dawn and his farewells to the sunset are formulated in words. Without words his thoughts, his dreams, his hopes, his ambitions cannot crystallize. Without words he cannot command nor make entreaty; he cannot affirm nor deny; he cannot give wings to thought nor imagination.

Words are, therefore, the constant servants of men. When men have put words together to express that which others are to read, we take those words and compose them in type ready for reproduction. That is called **Composition.** By another process we prepare composition for further reproduction in newspapers by means of **Mats** or **Stereotypes.**

Our business consists, then, of doing Composition; making Mats and Stereotypes, and rendering superior service to those who shape words together for reproduction. We, too, are servants to men who make words servants to them.

GOOD LUCK! HIGHLAND GRADUATES!

I'LL STICK WI' YOU THROUGH LIFE LIKE A THISTLE

My name's MacReddy Kilowatt,
Your Highland pal ya ken;
Through a' the years at H. P. High
I've a'ways been your frien'.

I've turned the juke box at your flings
And powered your radio
And amplified at all the games
Where'er your teams might go.

I've sat up late at night with you
Whilst cramming for a test,
And helped you see so easily
That you could do your best.

And when at last your schoolings o'er,
And you our country run,
I'll be on hand to do the work
And help you have more fun.

The thousand things that I can do,
By magic o'er a wire,
I'll do for you both night and day
And pennies take for hire.

For I'm MacReddy Kilowatt,
Your aid with pep galore—
Thrifty, silent, loyal Scot—
Your friend forevermore!

Mac REDDY KILOWATT
